Vacaville Union High School • Vacaville, California

. . . this is the year only pieces of it only minutes that were unimportant and never the important things to hold on to and the endless things to hold on to the things we remember and the times that are hard to forget not enough time for anything especially sleep a time for fun and a time for laughs

new teachers in the classroom new faces new plans new ideas suddenly old and used controversy and fights and why does it matter after all and editorials and arguments for a week and silence for a month and heated talk and who cares anyway and why bother lectures to listen to meetings to go to problems to suffer with papers to sweat over gym suits and rain and the smell from open lab windows and crowds pushing and hurrying to go somewhere but where with small jokes and big jokes and new cars in the parking lot and new people even in the cars and the fads and the games and the rings and the sweaters and the promises never kept and the constant battle with grades and tired blood and straight hair and extra pounds and ezra pound or maybe benet or steinbeck or perhaps just nothing like that at all

shifting changing people who leave and come and go and people you never meet and some you will never forget sneakers and fur collars and mohair sweaters and the right thing to do and the right place to go and the date that fell through and the dance that flopped and the almost failures and the complete ones and what else was here but these things

and we once came here new to it all and pushed our ways and our ideas and ourselves into the pattern and turned it out and whirled it and moved and hurried and flew sometimes with elation or cheers or grief or worry and it twisted at our touch and a pattern emerged and it was the same after all but different from the years before and hard to hold on to or pass on or show someone else as it changed all the time even as we touched it and held it in our hands like the strings of the world in our hands it changed

this is the year and to it we dedicate this our yearbook to the year that was to the year that is ours to the year that is yet to come whose face we do not know to its problems and its changes to its difficulties and its inspirations to its past and its present and its unknown future . . .

A Message From Our Superintendent

The Seven Wonders of the Ancient World were recently compared to the Wonders of the Modern World by a group of our country's eminent scientists and educators. The miracles of 1963 lie in scientific thought and accomplishment--not in inanimate stone, ivory, or gold, as associated with the Pyramids or the statue of Zeus at Olympia. The amazing potential that is predicted in man's power to do almost anything he chooses is unlimited and awesome. This potential power is awesome because the good that will come from this ability is dependent upon man's understanding of the basic values that make for a God-fearing and free people. After listing modern wonders such as the electron microscope, atomic power, decision making computer machine, and coherent light, these distinguished men named the discovery of certain possibilities for man as the greatest wonder of the Modern World!

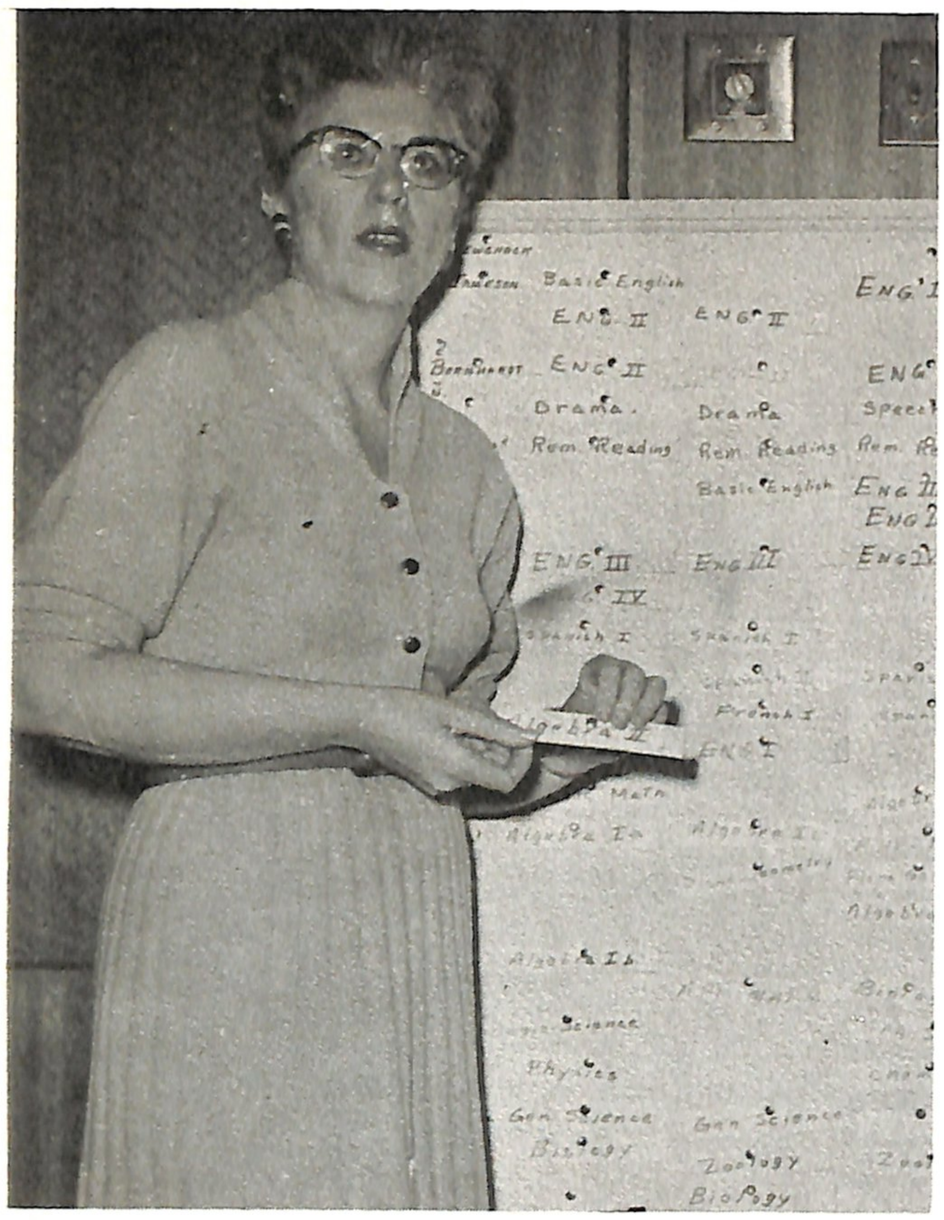

Vaca High students:

You are now and will be a part of this great scientific revolution. Let your part, irrespective of title, be the one in which you will contribute your greatest talent and deepest interest. By gauging your success in terms of the service that you contribute, you can make a profound impact upon the well-being of this world of modern miracles.

Have you charted your course for the future? I have confidence in you!

Language Arts

The only department that can boast serving all Vaca High students each day is the Language Arts Department. Because of the wide range of students to be served by the department, speech, drama, journalism, and remedial reading have been added to the curriculum. The primary mission of this department is to teach students how to communicate with the rest of the world.

Social Science

To prepare our students for their eventual role as a citizen, the social science department offers a variety of courses. Sociology introduces the cultures of the world, history records and explains their events, geography gives a description of where these cultures exist, and current events courses keep students mindful of those events which are happening around the world today.

Large enrollment prompted lecture classes in this department.

Foreign Language

An expansion in the foreign language department this school year has brought the addition of German to our curriculum which already included French and Spanish. MARK CHASE
Fall Student Body President

The Fall Student Council, led by President Mark Chase, Vice President Richard Penaluna, Secretary Sharon Newton, and Treasurer Sharon Cheechov, began the year by sponsoring the annual "Back to School" dance held in September. Homecoming, 1962, was an exciting affair at Vaca High. The Student Council spent a lot of time and effort in planning and organizing this year's homecoming.

In order to be a service to the school and to make money for the Student Body, the Student Council accepted the responsibility of handling the details of the picture sales during the month of November.

As evidence of the spirit of good will which exists at Vaca High, the Student Council sponsored a canned food drive around Christmas time.

Throughout the Semester various members of Student Council participated in the GEL Student Conferences held at Folsom and El Dorado High Schools. During the fall semester Student Council tried at all times to make decisions which would benefit the Student Body at Vaca High.

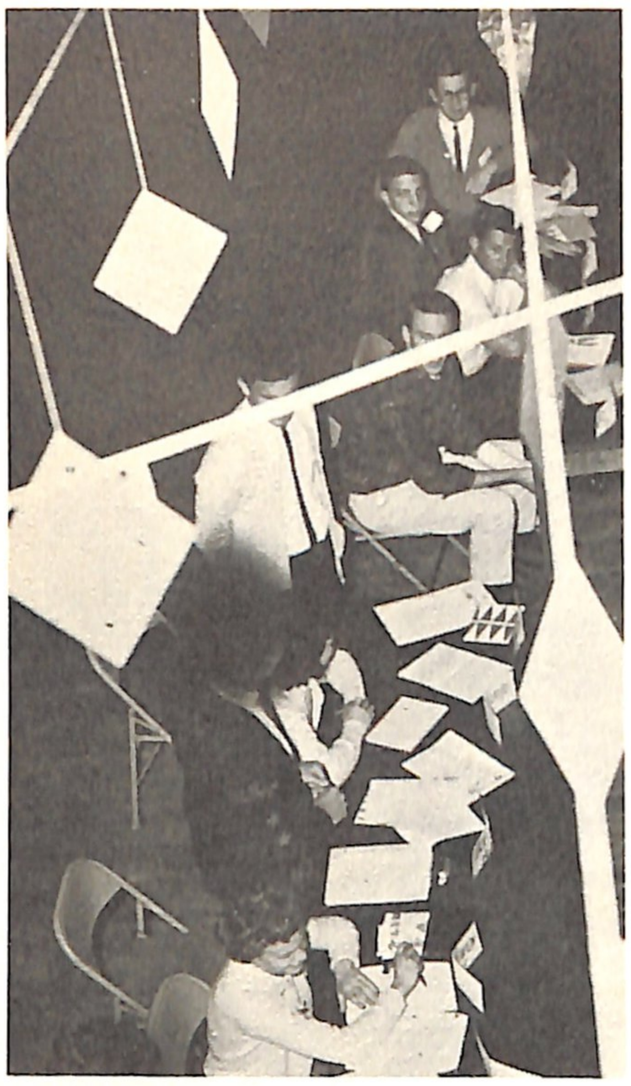

Vacaville was well represented at the Student Leaders' Conference in Sacramento.

First row: Larri Ann Seidell, Lyn Nance, Ellen Miller, Sharon Cheechov, Sharon Newton, Richard Penaluna, Mark Chase. Second row: Brooks Cassidy, Advisor, Sid Levin, Jyl McDermott, Patti Garcia, Carol James, Mike Gunderson, Richard Roache, Jim Lafferty, Sandra Pohutsky, Mary Jo DeVan. Third row: Vito Polito, Betty Spaughy, Bob Mauldin, Bette Carson, Ruth Treisman, Candee Lawson, Linda Borden, Bill Marino.

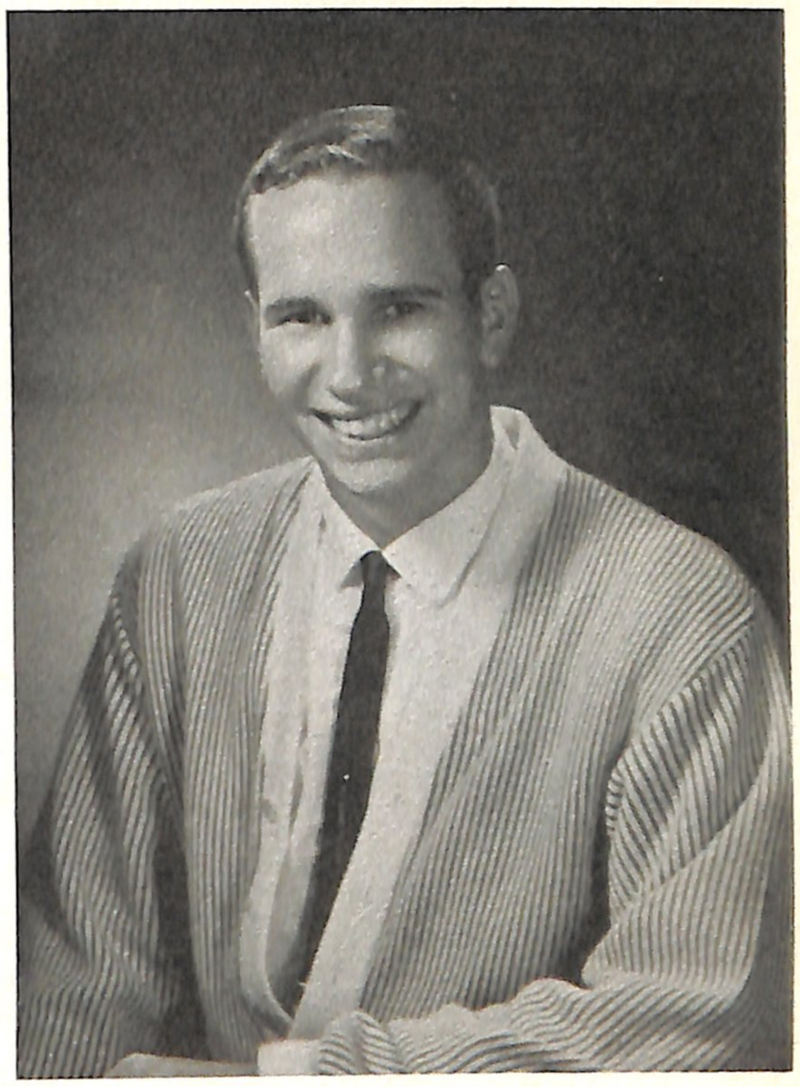

Spring Student Council

Vacaville speaks on the Student Government panel at S.L.C.

The Spring Student Council led by President Rick Bonnell, Vice President Jim Lafferty, Secretary Sharon Newton, and Treasurer Jeanette Ver Vaecke began the spring term by organizing the Corps of Representatives provided for in the Student Body Constitution. The purpose of this new organization is to keep the student-body-at-large better informed concerning events which occur at Vaca High. One very important project in student government which was accomplished by the Spring Student Council was their organization of student controlled assemblies and rallies. In March the members of Student Council attended the Sacramento High Student Leaders' Conference. While at this conference, Student Council members gained many valuable ideas for the future at Vaca High. For the enjoyment of the student body in the Spring, the Student Council planned the "Spring Fling"—a carefree day full of fun and happiness.

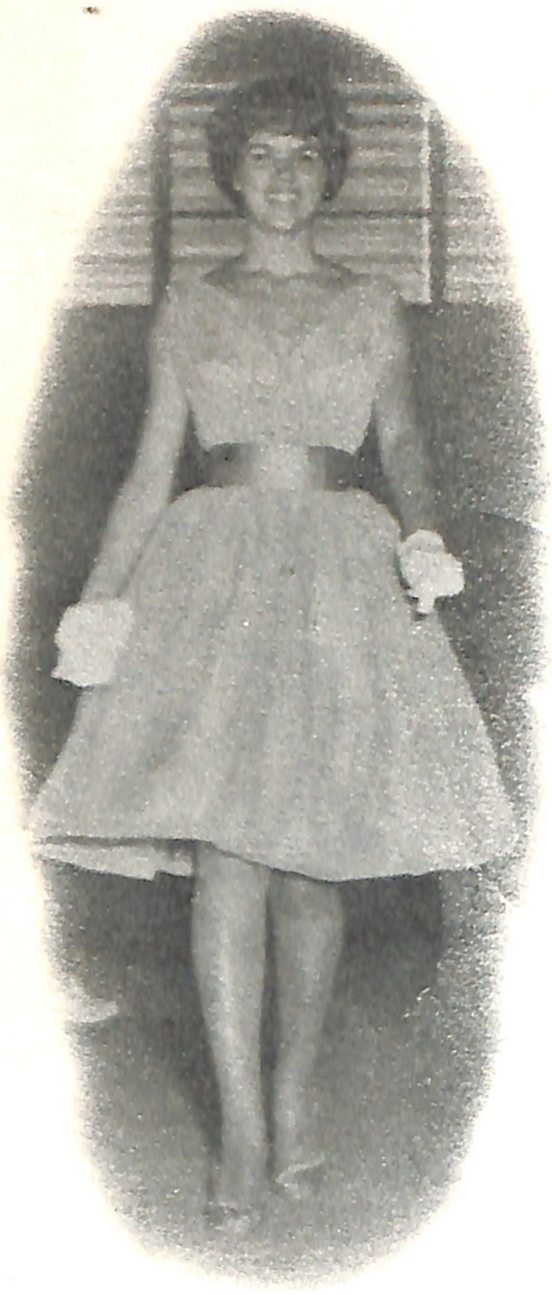

Student Councils of both the spring and fall semesters have strived to make Vaca High a better school. It is hoped that in the future close cooperation between the administration, faculty, student council, and student body will bring a more active school spirit in all areas to Vaca High.

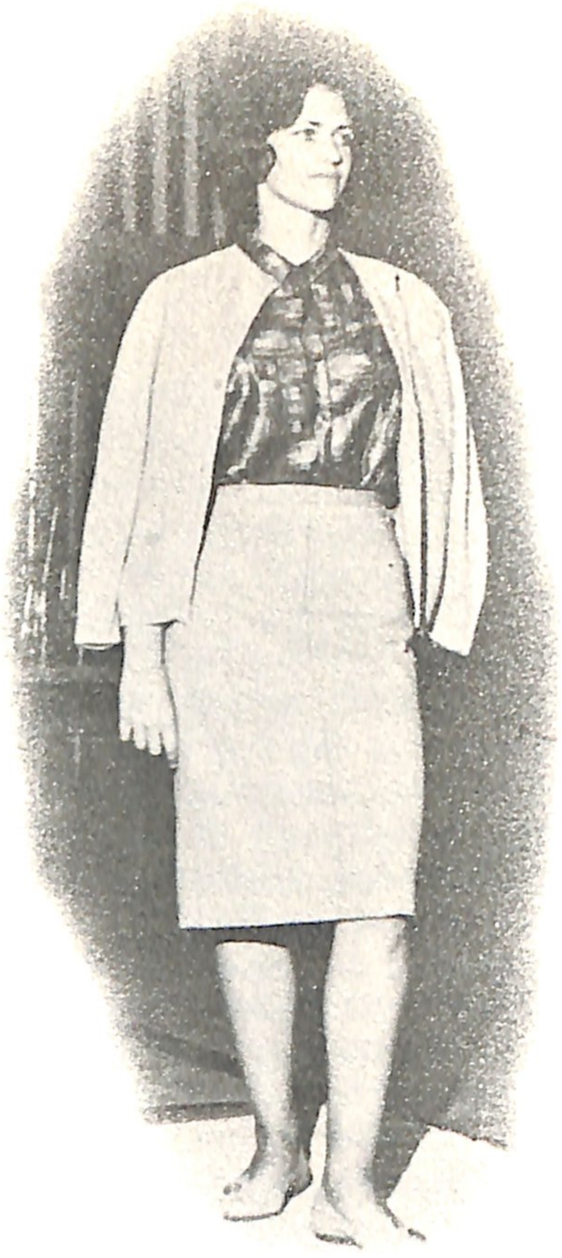

RICK BONNELL
Spring Student Body President

First row: Rick Bonnell, Sharon Newton, Jeanette VerVaecke, Ellen Miller, Bob Cowan, Larri Ann Seidell, Sid Levin. Second row: Mary Jo DeVan, Sandra Pohutsky, Mark Chase, Danny Skinner, Pat Hillis, Carol James, Patti Garcia, Brooks Cassidy, Advisor. Third row: Luis Gonzales, Bill Bryan, Linda Borden, Candee Lawson, Ruth Treisman, Bette Carson, Roger Hawkins, Betty Spaughy.

Girls' League Council

First row: Nancy Klees, Advisor, Carole Hawkins, Sandra Pohutsky, Aileen Klotz, Advisor. Second row: Nancy Krotzer, Linda Bedette, Jeanie Gray, Linda Danner, Jeannette VerVaecke, Larri Ann Seidell, Jeanne Caesar. Third row: Patricia Garcia, Jo Ann Jansen, Sharon Newton, Mary Saltsman, Vicki Blankenship, Pat Bryan, Judy Adcock.

SANDRA POHUTSKY
Girls' League President

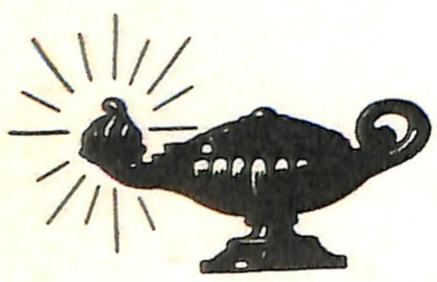

Girls' League

Boasting a membership of seven hundred, the Girls' League made important steps forward this year. Heading the list of accomplishments was the re-writing of the constitution. An unique touch was added by the Council's adaptation of outfits, sea-blue shifts accentuated by long-sleeved white blouses, which were worn on assembly and meeting days.

Girls' League sponsored activities included a welcoming picnic held at Andrew's Park, a back to school Fashion Show, Sadie Hawkins Day and Dance, a Christmas present drive for the patients at Napa State Hospital, a Show-Off-Show, a cosmetic demonstration, the handling of the March of Dimes drive, a sweatshirt sale and candy sales, and the Spring Tea and Style Show.

California Scholastic Federation

Contributing to the scholastic achievements of our school is C.S.F., sponsored by Mrs. Newchock, Mrs. Jameson, and Mr. Murphy. Among its outstanding services to Vaca High has been the tutoring of fellow students. This program was initiated during the term of Eddie Evans, President. Other activities include the Student-of-the-Month program, several field trips, an initiation and a fund-raising card party.

Named as life members were Mark Chase, Eddie Evans, Sharon Follmer and Sharon Newton.

C.E.C. serves for the teachers' association

Mrs. Hazel Nielsen and Mrs. Charlotte Waggy, co-sponsors, and Bette Carson, president, have been the leaders of all California Education Club activities. In the fall of the 1962-63 school year, C.E.C. members served as guides for "Back-to-School" Night and served refreshments for a Teachers Articulation Meeting. Some of the spring activities included a Victory Dance honoring the G.E.L. championship basketball team and an officers trip to Chico State College for a Future Teachers Conference, of which it is an affiliate member.

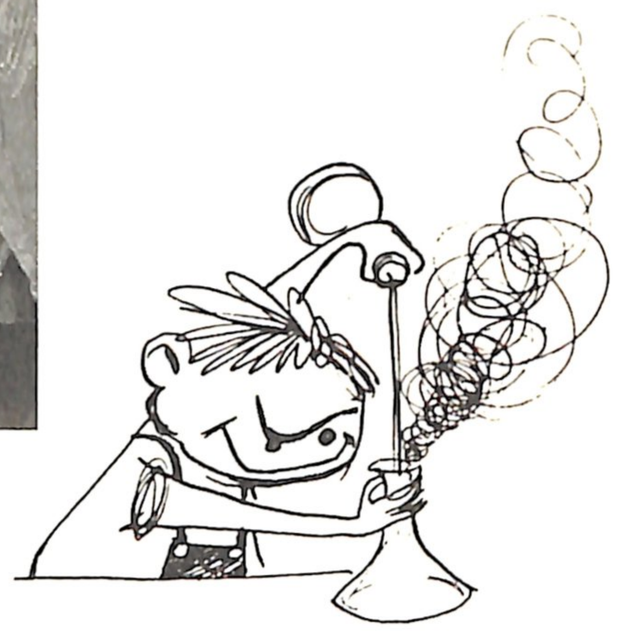

California Education Club

First row: Lyn Nance, Hazel Nielsen, Advisor, Bette Carson. Second row: Pam Contreras, Kay Maynard, Tara Milius, Sherilyn Gale, Betty Spaughy, Lyn Campbell, Gloria Puerta, Mary Saltsman, JoAnn Jansen.

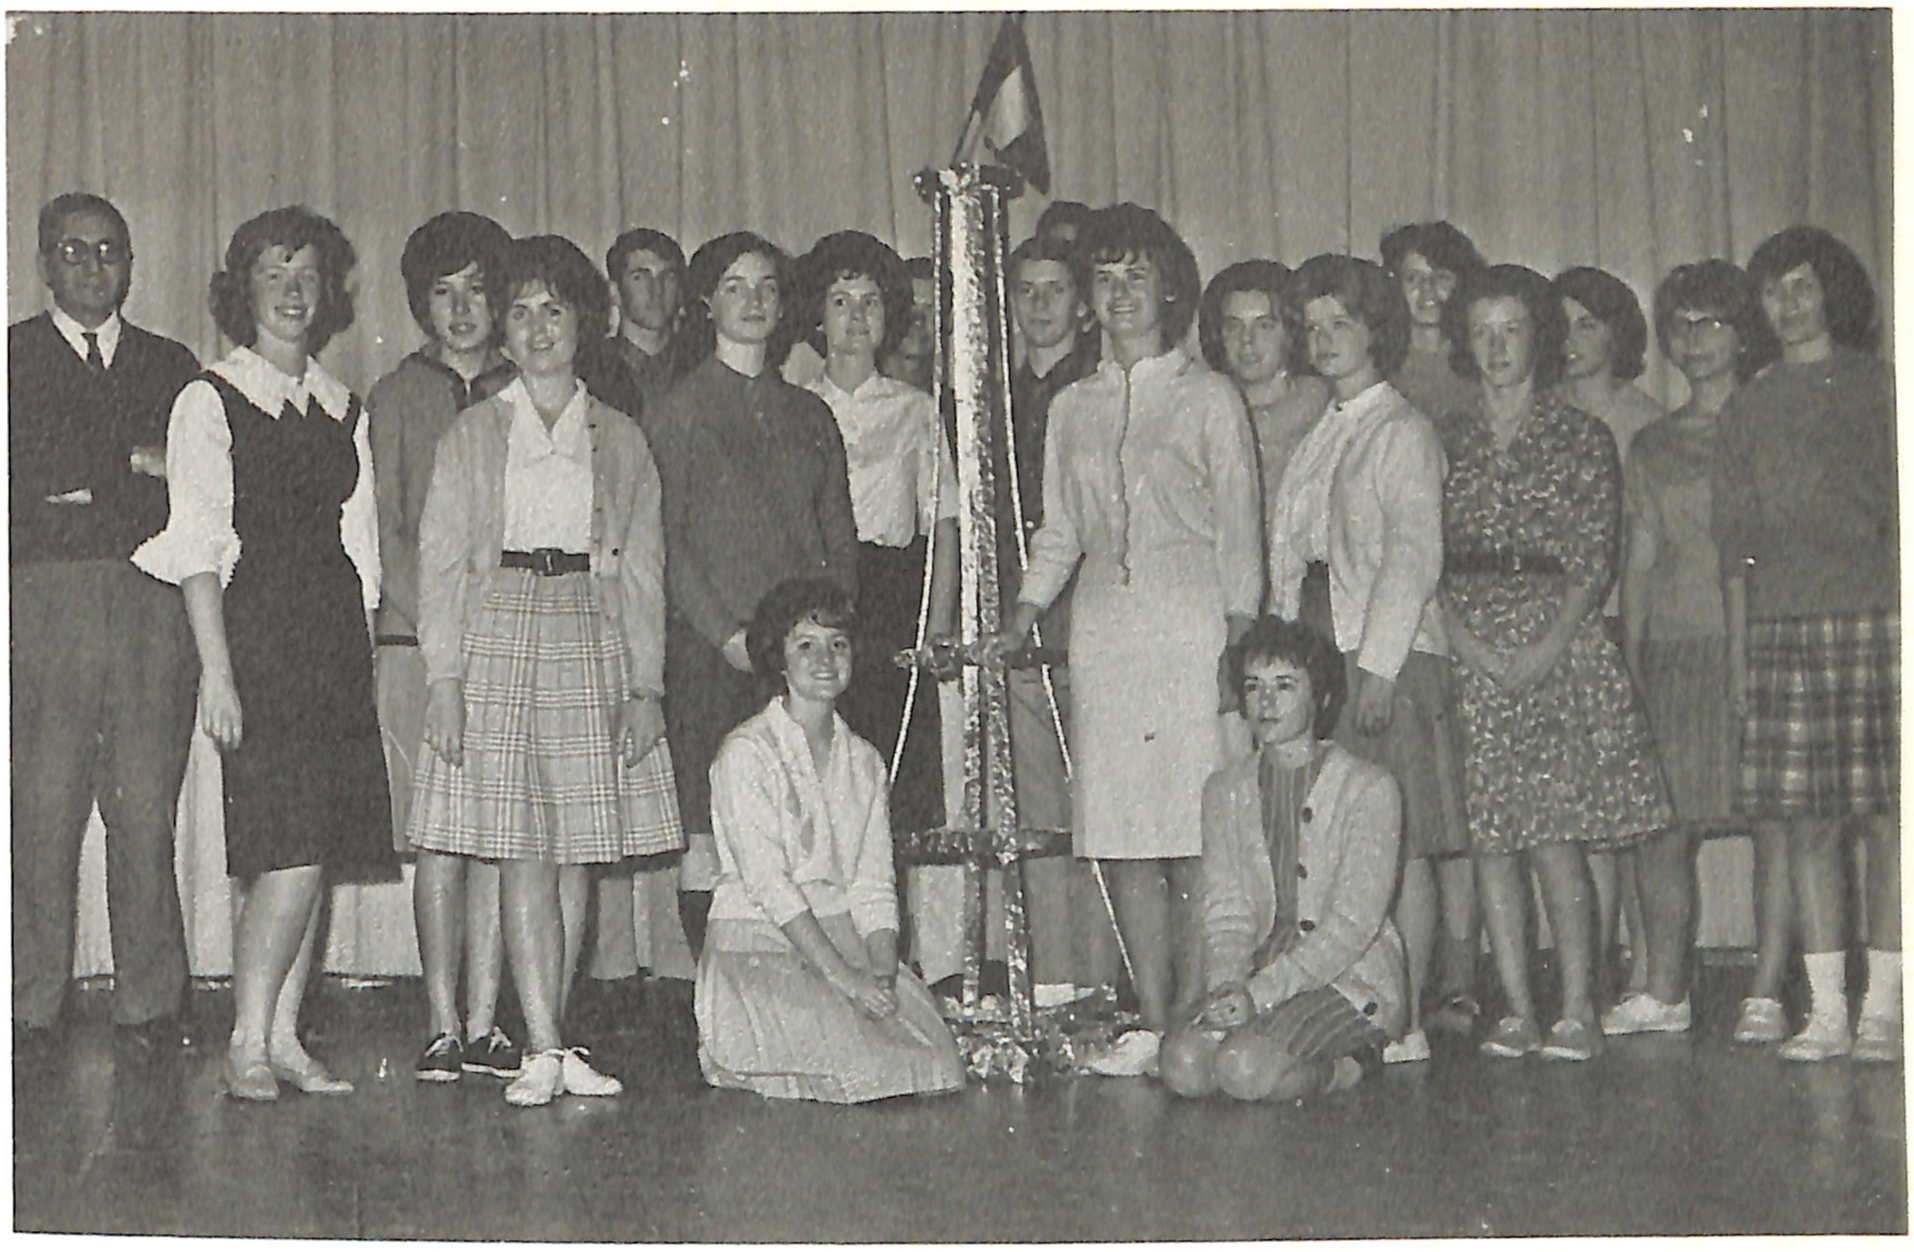

Science Club

Members of the Science Club nuclei this year have had a banquet, lectures, and field trips (including the San Francisco F.B.I. and Lick Observatory). The two presidents shall be remembered for many activities: Roy Smith, for that rocket on the homecoming float; and Ellen Miller, for the "Madame Curie Hop." Above all, their advisor, Mrs. Martha Miller, shall be remembered for her logical advice and scientific patience.

First row: Laura Davis, Eryle Mullins. Second row: Louise Simmons, Diane Willhart, Cathy Amphlett, Salli Boots, Jyl McDermott, Linda Orr, Jeanne Nourse, Linda Iverson, Joan Parazette. Third row: Eli Treisman, Advisor, Linda Bedette, Pat Noonan, Clarence Barto, Mark Chase, Mike Palmer, Sandy Greene, Joanne Kidder, Sandra Pohutsky.

French Club

A small club composed of advanced French students, Le Cercle Francais was one of the most active at school. Under the direction of President Jyl McDermott, the club produced "A Nite With B.B." Their main money-making project, it was an acclaimed success by the student body. Several field trips to San Francisco and Berkeley, a cultural series of programs, the Madame Curie Hop and an honors-winning Homecoming float rounded out this year's activities.

Mr. Eli Treisman was the club sponsor.

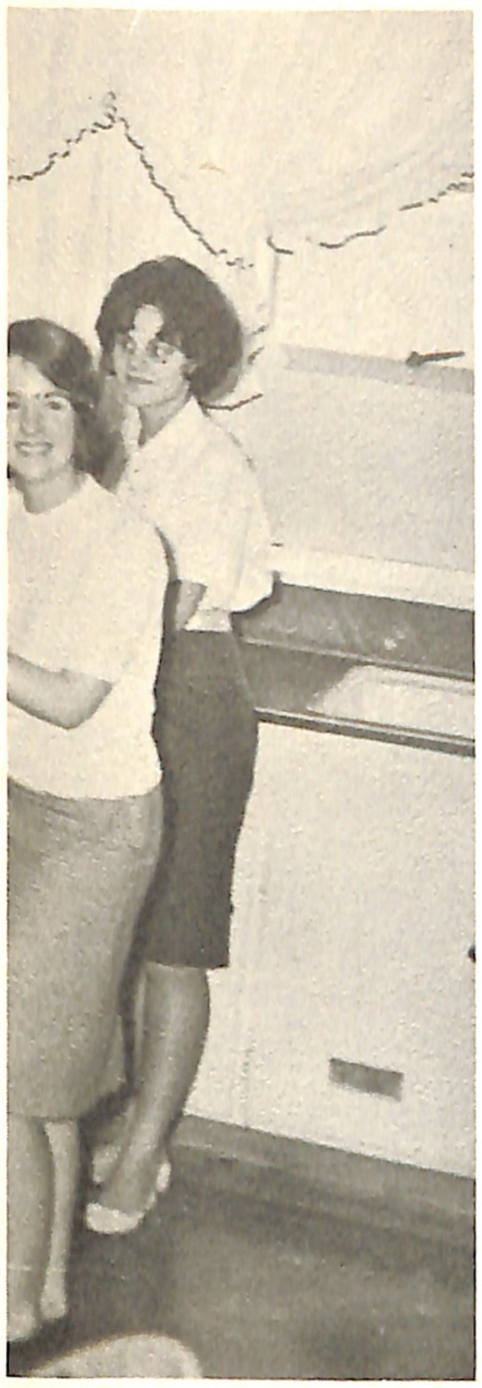

Seated: Betty Spaughy, Cynthia Morris, Advisor, Kathy Lynch, Vicki Boling. First unit: Caren Cooprider, Sue Brown, Jeanne Campbell, Elaine Edwards, Kathy La Qua, Pam Riley Larm. Second unit: Marina Savides, Sue Freeman, Diane Medeiros, Gloria Prescott, Wendy Williams. Third unit: Terri Smith, Lyn Campbell, Bev Jones.

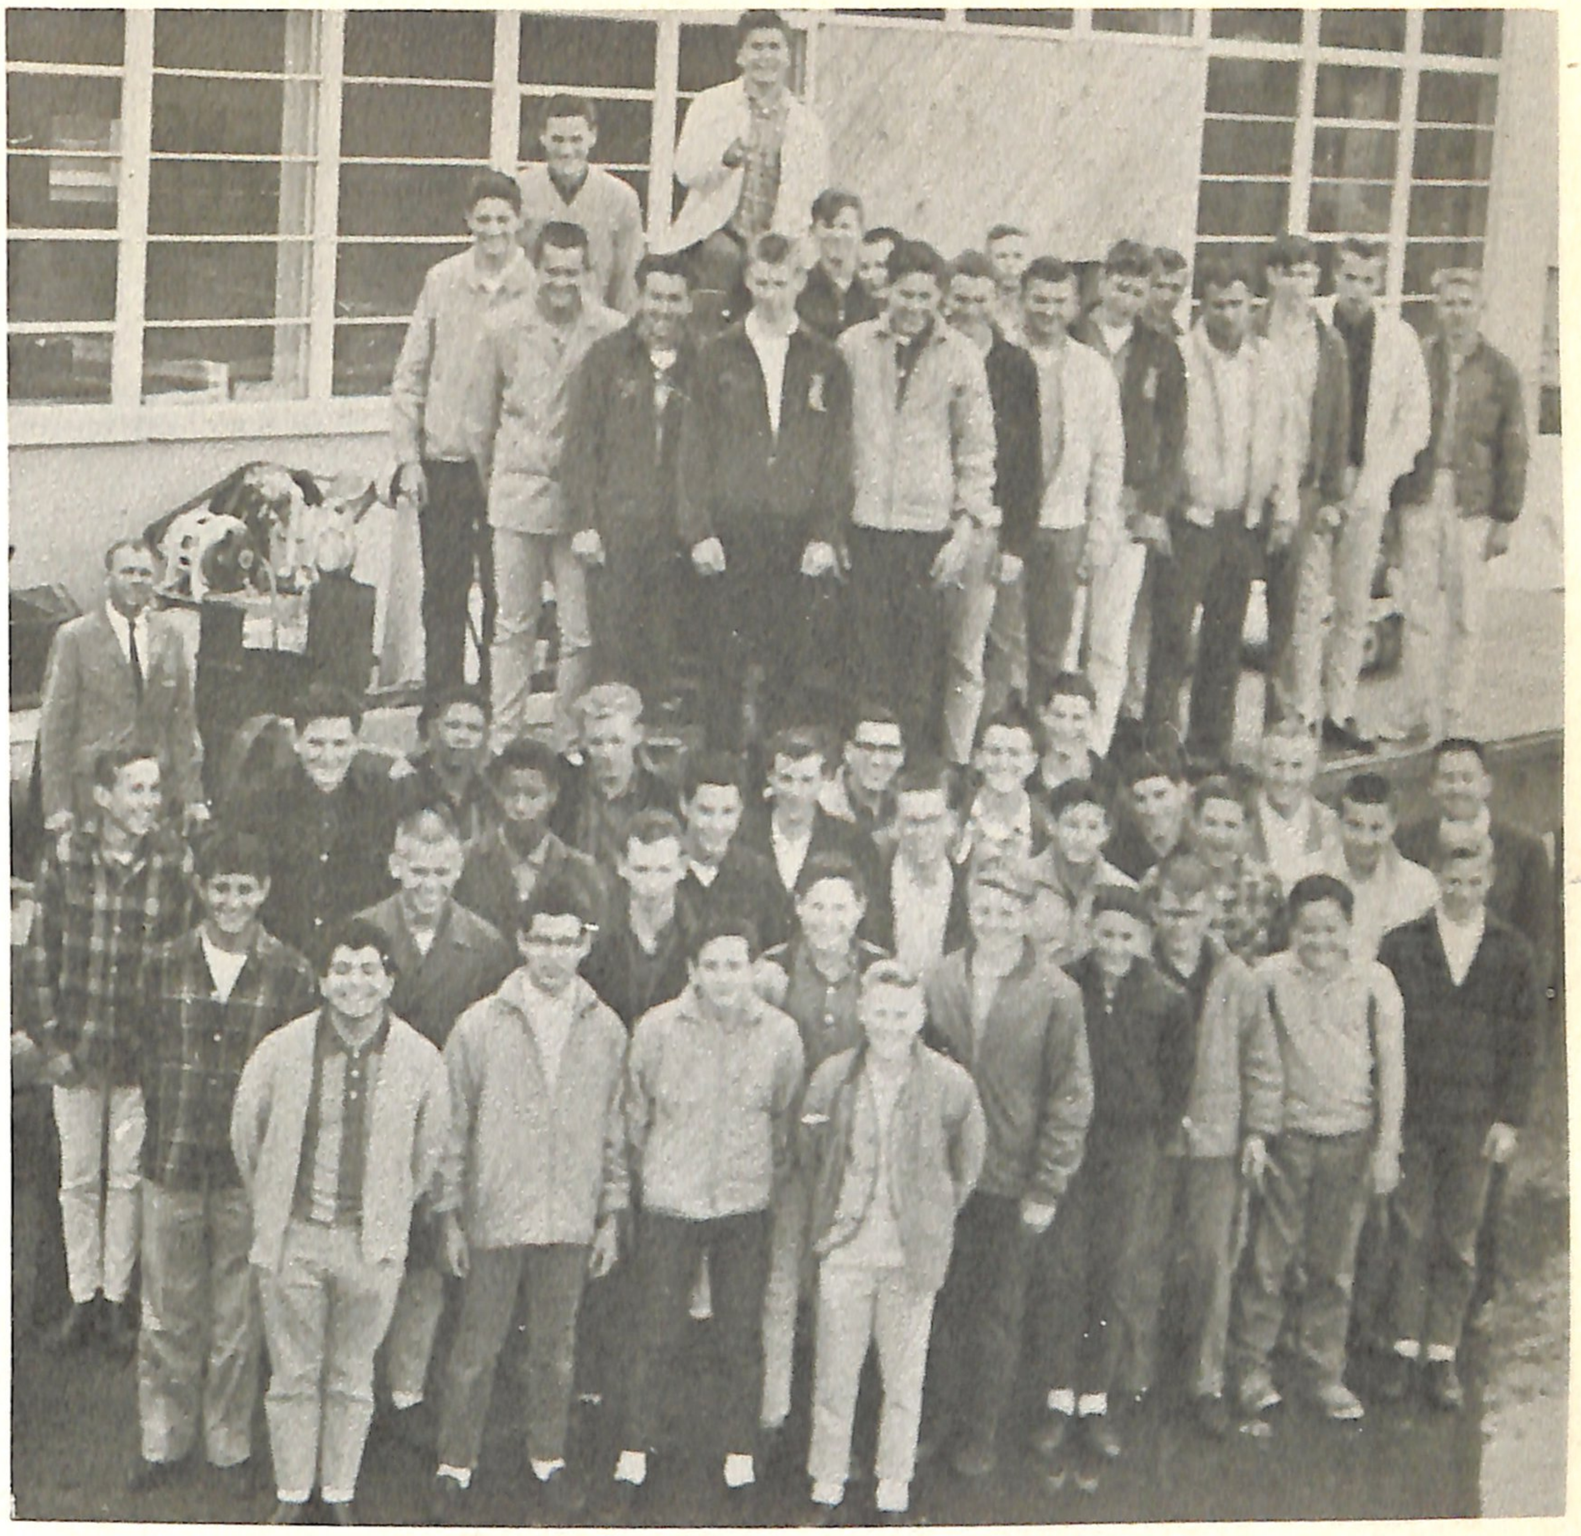

Future Homemakers of America

The Harvest Dance, books for Philippine children, and a banquet head the long list of activities sponsored by the Future Homemakers of America. The members, headed by Betty Spaughy, president, gave a surprise wedding shower for Mrs. Cynthia Morris, sponsor. Sponsorship of the annual fashion show by girl students is shared with Girls' League.

Future Farmers of America

Under the direction of Mr. T. G. Williams and Mr. Ted Gregg, F.F.A. can list many services among their yearly projects. One of the wealthiest organizations in school, this hard-working club makes its money from rental on almost four hundred acres of land.

President Bill Marino led this useful outfit in planting trees on forty acres outside of town, in sponsoring the Harvest Dance and turkey drawing, in judging poultry, soil and dairy products and in sponsoring their annual Father-Son Banquet.

First row: Sharon Paulson, Ellen Miller, Carol James, Joanne Minamide, Diane Minamide. Second row: Sharon Cheechov, Pat Morley, Jackie Pilkington, Phyllis Palmer. Third row: Billie Roacher, Sandra Siprelle, Trudy West, Sharon Bagley. Fourth row: Alayne Walden, Candy Nunn, Pat Bryan, Carole Halburg. Fifth row: Jeanne Gojokovich, Kathy Wilson.

Carol James, president of Girls Athletic Association, has this to say about the purpose of the club: "Vaca High's G.A.A. provides an opportunity for girls to have fun while learning and growing. It provides a sense of belonging—an association with other girls of the same age who enjoy physical activity and participation in activities. Playing on a team means learning the delight of success, the acceptance of defeat, the give and take of cooperation, the 'letting off steam' in an acceptable way, and the learning of responsibility—teammates depend on you! The opportunity to acquire social skills is present through play and work with others. The value of honesty, justice, courtesy, sympathy, self-control, and perseverance appear over and over again in game and meeting situations."

Behind the scenes Miss Joan Dugger and Mrs. Margie Hoeft, advisors, have been arranging many activities such as a swimming party, Christmas Ball, picnic, banquet, and playdays at Sacramento State College, Vacaville and Davis for the members. The senior girls played the Armijo senior girls and the Vacaville women faculty in basketball games for their fund-raising projects. The Girls' Block V, a G.A.A. affiliate, helps to maintain order in rallies and assemblies.

Girls' Athletic Association

Block V

Block V, an honor club for athletes, has contributed much to the welfare of the school. Presidents Bob Mauldin and Roger Hawkins and Advisor Mr. Thomas Zunino, have lead the lettermen in purchasing a whirlpool bath for the school, donating generous funds to the foreign-exchange student program, honoring their fathers at a banquet, disciplining rallies and assemblies and ordering new club jackets. Funds come from the noon popcorn concession.

American Field Service

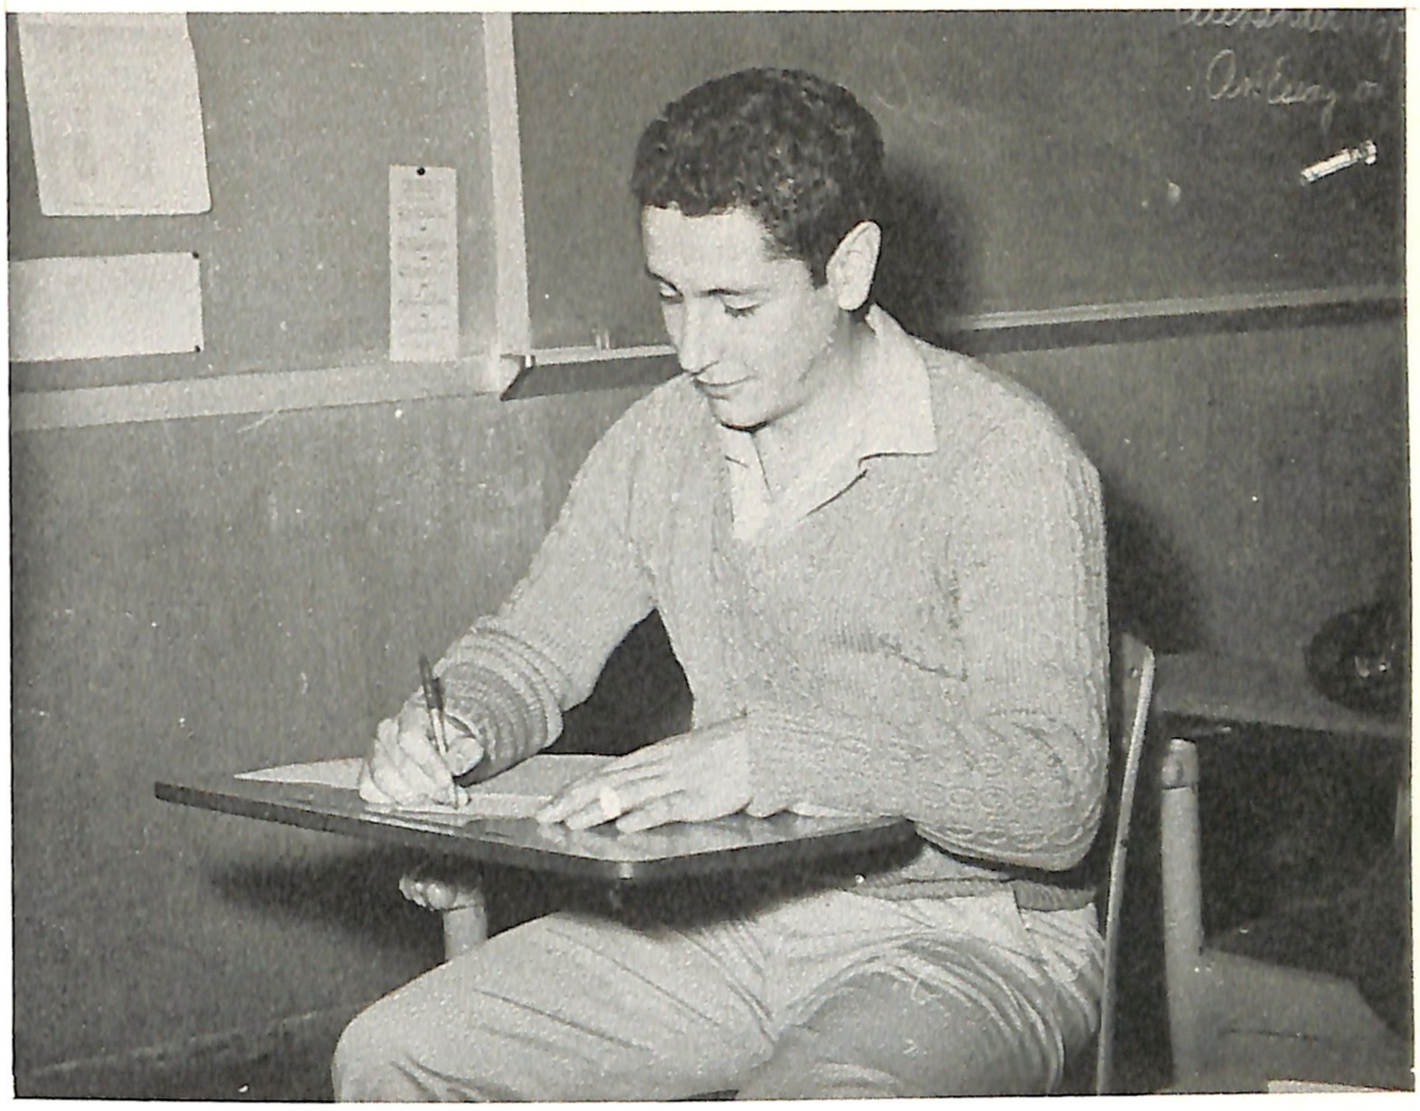

Lyn Nance, Rick Bonnell and Mike Golomb welcome Ali, a Turkish student to Vacaville for a week-long visit.

The American Field Service (AFS) is a nationwide, non-profit organization which is responsible for the sending and receiving of foreign exchange students. The main purpose is to promote better understanding between other nations and through the eyes of the young, discover how others live.

Working together, the school AFS and the town civic organizations donate money to the town chapter of AFS, which then can supervise the exchange. In March AFS had two students who met the qualifications and who were hopefully waiting for word that accommodations for them to study had been found in a foreign country. This year, the members have visited with students from Turkey, Greece, Peru, Argentina, Chile, and Switzerland.

Luis

Dear Fellow Students:

It is for me a pleasure to say "Hello" and "Thank You" for the wonderful year that I spent among you.

Sincerely, I can tell you that this has been one of my most fantastic experiences and I certainly can tell you from all my heart that I'll remember you all my life.

How could I forget you, it is as if you have been for me my family and my friends?

How could I forget those happy moments that I had with you?

How could I forget the nice words you spoke to me, even though I had come to you from the other side of the world?

I firmly believe that the future of the world would be secure if all the Youth would be like you are, so full of amity and understanding.

But happiness is never complete, for it is time to say "Goodbye"; and I must leave to tell my people how nice you are. I understand it will be forever, because I never will come back to Vacaville to meet that happy and friendly youth, and even if I come back, it wouldn't be the same you, it would be a new student generation.

That is why I'll not say "Goodbye" nor "Hasta la Vista," but a sincere "Hasta siempre" (for always).

Luis Gonzáleg Becerra.

During the summer, the Vaca High Pom-Pom Girls captured second place in competition at Big Trees. Bringing home the award were Judy Adcock, head; Sherrie Davenport, Linda Lafferty, Lynette Poulos, Pat Wood, and Vickie Blankenship. With the help of Mrs. Judith Cook, advisor, our Pom-Pom girls have presented us with many varied routines.

Yell Leaders

The Vaca High Spiritettes have led the student rooters through cheers during many thrill-packed moments. Headed by Denise Evanikoff, the yell leaders are Sharon Christofferson, Jeannine Neiderberger, Pat Brown, and Jeanne Caesar. Mrs. Judith Cook is their sponsor.

Rally Committee

"Promotion of school spirit is foremost in the minds of all Rally Committee members," said Mrs. Margie Hoeft, committee sponsor. Responsibility for rallies, putting up posters, planning a bonfire rally, snake dance, and downtown parade for homecoming, and selling "Vaca Hi" booster buttons, and "Rip 'Em Up, Bulldogs" ribbons have been led by Candee Lawson, president.

Spirit Club

Spirit Club is a newly organized club headed by Mrs. Judith Cook, advisor, and Candy Nunn, president, that is dedicated to "uphold the ideals of true sportsmanship by supporting our authentic team in victory or defeat." Planned activities include service for all athletic events and responsibility of the student rooting section.

ll--1962

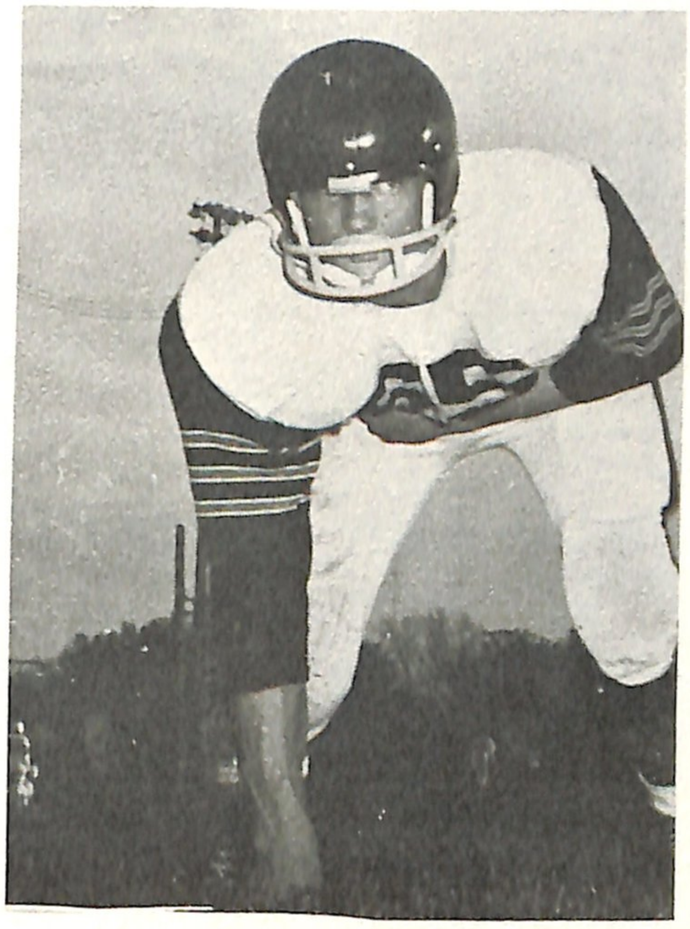

With a little skill and lots of luck, we were triumphant in our first football game with a victory over Saint Vincents of Vallejo. From there on, it was a hard struggle to the bitter end.

Our first league game was a heart-breaker since we lost to El Dorado of Placerville by only seven points. The next league game was against Elk Grove. It was a close finish but our opponents were able to defeat us, twenty-seven to twenty-one. We lost to Folsom, the league champs during their Homecoming to the score of twenty-six to zero. With high hopes, we met our arch rival, Armijo of Fairfield, for our Homecoming encounter. A standing-room-only crowd saw us go down to defeat to the score of thirty-two to thirteen. Hoping for one league win, our boys traveled to James Marshall of West Sacramento in bitter cold. We fought a hard battle in the first half but the cold and icy wind was hard to bear. The night ended in defeat, twenty to zero.

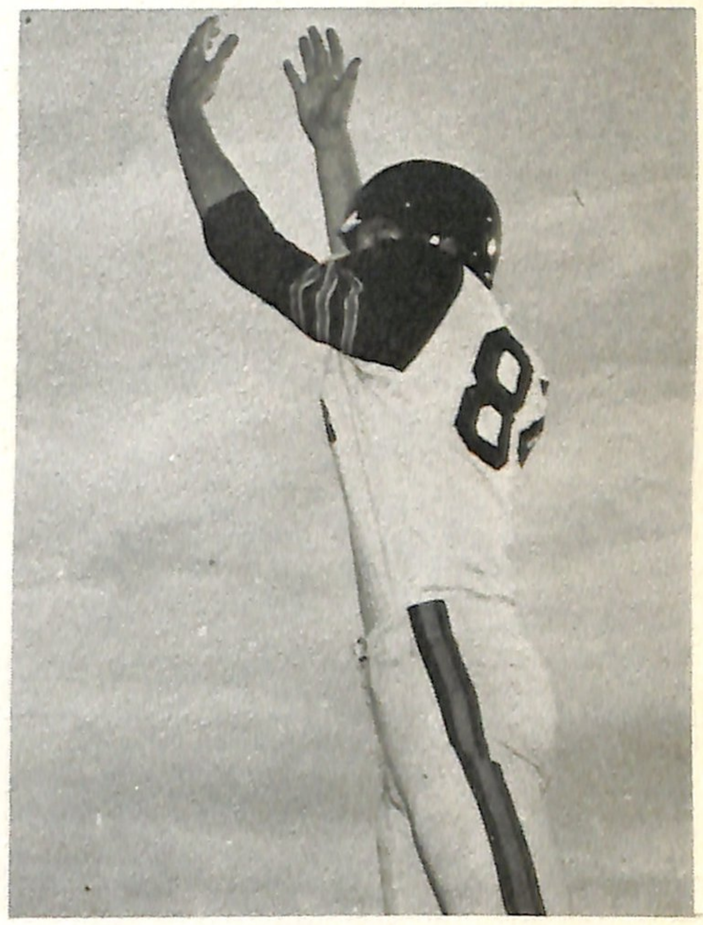

A bright spot of the season was the election of big Norman Wilson to the Golden Empire League All-Conference team, the only Vacaville boy so honored.

JUNIOR VARSITY FOOTBALL — 1962

Our Junior Varsity, coached by Mr. Reece Dick and Mr. Frank Molina had a very fine season while grooming for varsity competition in the future. The Bullpups compiled a 6-3 won-loss record and finished third in the Golden Empire League, winning 3 and losing 2.

In the four non-league outings, the Bullpups faired well as they began the season with three straight wins, the first one being over St. Vincents of Vallejo by the score of 6-0. Champ Boykin tallied the only score. Val Garrison, Tim Gilmore and Carlos Flores were outstanding on defense. Tom McConnell and Jim Edmundson sparked on offense throughout the season, as it was quite apparent in our win over Pacifica by the score of 18-14. Their next victim was Hogan, the score being 18-6. Against Davis the following week, we suffered our first setback with Davis outscoring us 19-13.

League play began with an overwhelming win over El Dorado, Vaca winning by the margin of 18-0. Elk Grove proved to be no tougher as the Bullpups trounced them by the score of 20-7. Unfortunately, Folsom ruined our title hopes, winning 20-13. Our Homecoming proved disastrous as we fell to arch-rival Armijo 45-14. A bright spot in this game was Jim Edmundson's spectacular 93 yard run for our second touchdown. In our final game against the James Marshall Wildcats, the J.V.'s won easily 19-6.

Mr. Dick reported he was proud of the team and their record and he indicated that the boys showed excellent sportsmanship. Outstanding players on offense included: Jim Edmundson, halfback; Bob Heise, quarterback; Jim Thomas, end; Tom McConnell, halfback; and Champ Boykin, fullback. On defense were: Tim Gilmore, Bob Clifton, Ron Howerton, and Bill Hopkins.

The 1963 Freshman Football team was quite a success in their third year of competition with other schools. Dixon, our first opponent, met defeat by the enthusiastic Bullpups. The luck changed as we met Elk Grove and Armijo, as both schools defeated us soundly. Another win was registered for Vacaville by defeating El Dorado 19-18, the most thrilling game of the entire season. Again our luck ran out as we were defeated by Woodland 20-0, and then by Armijo 20-6. The 1963 football season ended with 2 wins and 4 losses.

Cross Country--1962

This was the first year that Vaca High has ever placed a Cross Country Team in competition. The team's first meet was against our old rival, Armijo. We were unable to defeat Armijo in any of the three divisions. Then we engaged Folsom on their own Cross Country course, one of the most difficult courses in Northern California. Vacaville was no match against such an experienced team. Once again the Vacaville Bulldogs and the Armijo Indians clashed, our A team taking honors, while losing in the other two divisions. El Dorado and Folsom were our next opponents in a three-way meet. Unfortunately, we placed last in all three divisions. Then came the league meet. With only four schools participating in league competition: El Dorado, Folsom, Vacaville and Armijo, we were able to place third in the A division by again defeating Armijo. The following are the results of the league meet: Folsom, 18; El Dorado, 20; Vacaville, 59; and Armijo, 65.

With a large portion of this year's distancemen returning next year, Vaca will give GEL competitors a run for their money.

Vacaville 66-James Marshall 44. This ended a fabulous season of superb basketball with the Bulldogs reigning as Golden Empire League Champions. We finished the regular season with 19 wins and 1 loss, our only setback being to second-place Folsom.

Starting out with sixteen wins in a row, the cagers took all ten non-league games and by mid-season, were rated eighth in Northern California.

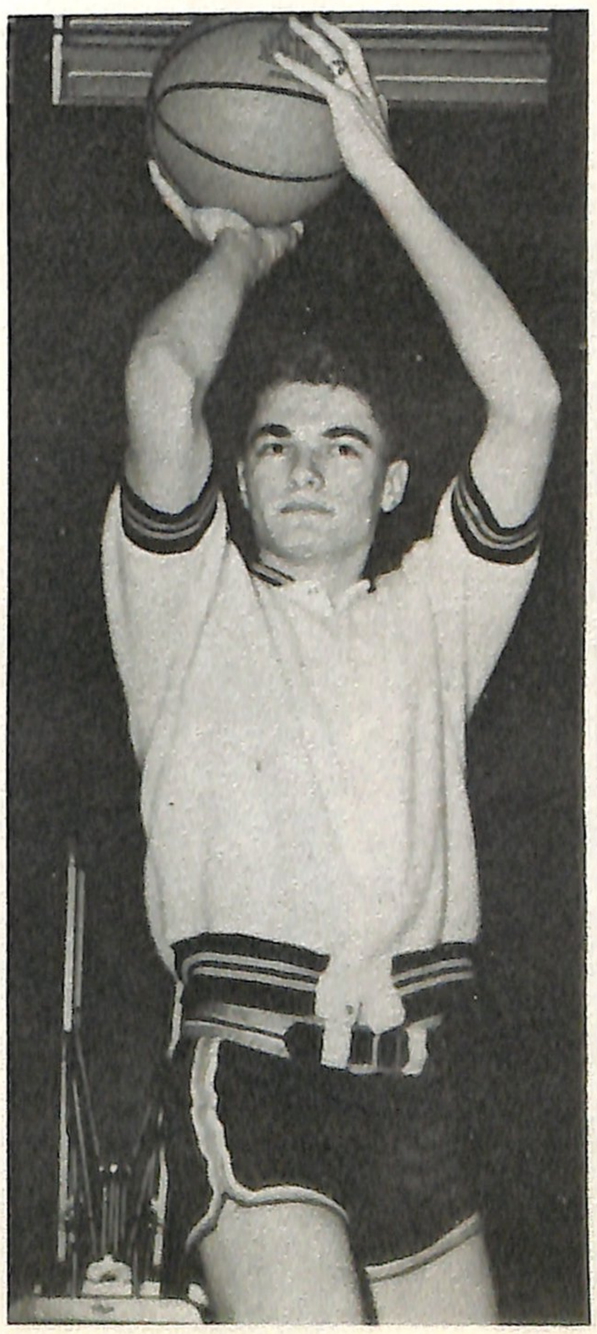

Led by all-conference center Mike Golomb and G.E.L.'s Most Valuable Player Phil Rice, the Vacaville hoopsters rolled past such tough competition as St. Vincents and Hogan of Vallejo, Napa, Woodland, and Davis in practice competition. Davis, undefeated in 26 games, fell to us in the first game of the season, and later in the season we repeated our win to continue the winning streak.

Highlighting the season was our win over Armijo at the Indians' home court. In the second meeting, the arch-rivals from Fairfield played tough enough to put off their loss for two overtimes but, sparked by Mike Golomb's 25 points, Vacaville squeezed by, 62-58.

Elk Grove, top offensive team in the G.E.L., scored only 46 points against the defensive-minded Bulldogs, who tallied 71 points themselves. Again, as in previous cases, the Herd could not mar our perfect record.

By the end of the season, we were rated sixth in Northern California by the Sacramento Bee and soon we accepted a bid to the Weed Tournament.

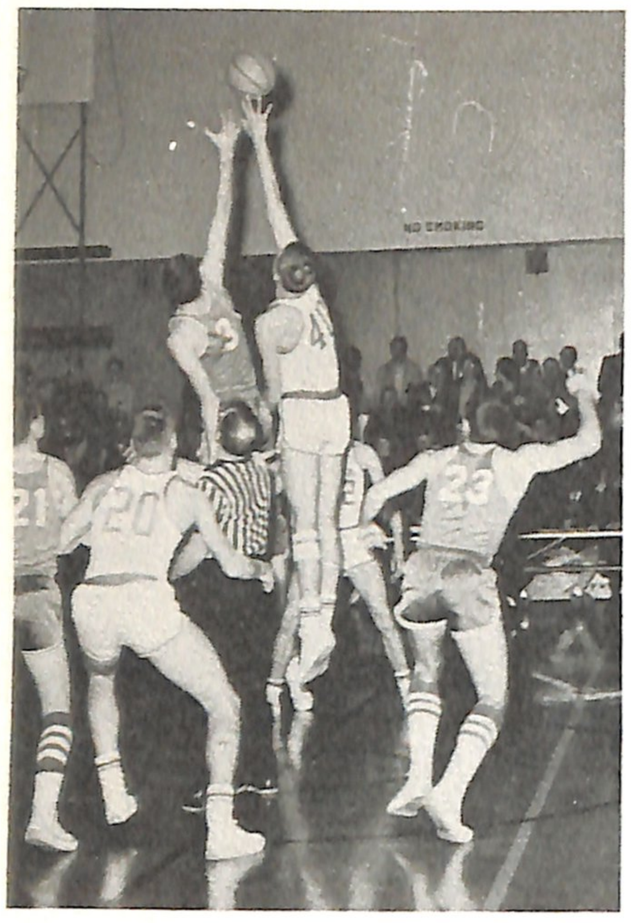

Phil Rice, four-year varsity veteran, was selected to the Sacramento Bee's All-Northern California first team and finished with an 11.2 scoring average. Phil, a defensive ace, was also elected to the All-Weed Tournament team and was voted Most Valuable Player of the Tournament. Mike Golomb, 6'5" center scored over 250 points during the season and was also elected to the All-Tournament team at Weed.

1963

This year's Junior Varsity basketball season proved to be a great improvement, and their fine showing can be attributed mostly to experience. Coach Gene William's lightweights finished with a seasonal record of thirteen wins and five losses. Placing third in league play, the Bullpups compiled an 8-2 GEL record.

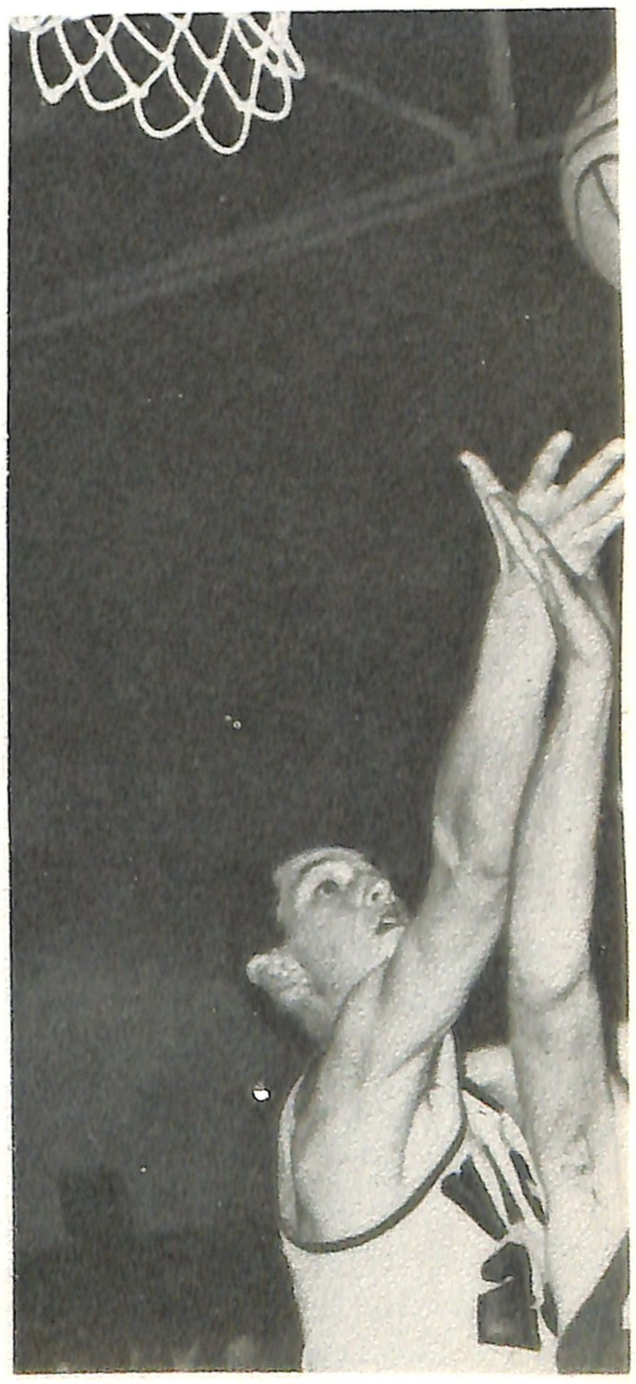

In non-league play, the frosh-soph team had some tough games, splitting two with Davis, and winning over Dixon, Saint Vincents, Clarksburg, and Napa. Hogan squeezed by us 20-19 and Woodland also proved too tough. The warm-up games just sharpened us up as we began conference play with three straight wins. At Armijo, sparked by Bob Heise's 25 points, we came out victors. Elk Grove gave us our first league setback. Our first game against Folsom was very close, but the clutch scoring of sophomore Alvin Bonifacio, who scored 20 points, stopped any Folsom threat. Again we won three outings in a row, over Marshall, El Dorado, and Armijo. Jim Edmonson, Tom Newsom, and Junior Lopez helped our scoring punch but our second meeting with Folsom was disastrous. With identical records, this game was to decide the champion. We fell by three points, but finished the season with a win over Elk Grove and again trounced Marshall.

Although sophomores Heise, Bonifacio, Newsom, Lopez, Edmonson, Dave Camp and Champ Boykin carried most of the load, some fine freshmen will be returning. Crowe, Gilley, Jennings, Beshears, and Browning gave the team needed bench strength.

With the varsity losing many fine performers from their championship team, the junior varsity will have to provide some fine material to fill the vacant spots. We feel confident that they will.

Our 1963 Wrestling Team was the first of its kind to represent Vaca High in competition with other schools. The varsity squad was winless in all its dual meets but was able to claim third place in the Golden Empire League. At the section meet in Sacramento, the Varsity placed fifth out of ten teams. The Junior Varsity won three out of their eleven dual meets. Bob Santessen and Wayne Wagner placed first in their weight classification in the league meet. Santessen also became Sacramento Section Champion in the 120 weight division and Bert Van Voris placed 2nd in the 167 weight division. Santessen received greater honor as he was named the "Outstanding Wrestler" of the tournament.

Varsity Baseball-

It is early in the season and league play has not really started; yet something is lacking, for we have won only one game in four attempts. Experience could be a major factor, as the entire infield is composed of sophomores, with all the pitchers being juniors, while the outfield is mixed. But Coach Reese Dick's varsity nine has shown much improvement and should succeed in bringing one of the top spots in the league standings.

In their first non-league game against Woodland, Sam Lopez pitched a six-hitter, winning 3-1. Fine hitting was provided by sophomore first-sacker Jim Thomas, who had a perfect three for three, and junior Dave Sells, who collected one hit and a sacrifice while knocking in two Vacaville runs.

Against Hogan we played a fine game, though we connected for only two safeties. Dave Sells pitched a four-hitter, giving up three runs while Harry Garland was the only Bulldog to score.

Davis seemed too tough, for we couldn't get our hits together, but rather spread out, as we lost 8-2, with Mike Brandt and Ron Smith sharing the mound duties.

In our first league outing against Elk Grove, we battled to a tie, with play being called after eight innings. Sam Lopez pitched the first six frames, giving up the lone run, while Smith finished the remaining innings. Lopez also batted in our only run with a single.

With the season just getting into progress, we have plenty of time to regain our poise shown against Woodland.

SCHOOL

Junior Varsity Baseball

The Junior Varsity, coached by Tom Zunino, has compiled a season record of one win against three losses, one loss being to Elk Grove, our only league opponent thus far.

Our only win was against Davis and was sparked by pitcher Dave Camp's four-hit exhibition. Dave gave up only one run, while his teammates pounded out hit after hit, with John Dodson, Gary Forshay, and Mike Gunderson leading the offense attack. The final score was 6-1, with almost everyone seeing action.

In our humiliating loss to the Hogan lightweights, the Bullpups were unable to get a hit, but Hogan could muster only one with the pitching being divided between Tod Eckhouse and Mike Gunderson, with the score being 5-1.

This year's team lost its majority of players to the varsity, forcing Coach Zunino into doing a rebuilding job. We feel sure his young material soon will be hitting the winning column more often.

First row: Jerry Darling, Jim Gilley, Justin Green, Steve Brown, John Hernandez, Steve Boling, Dave Camp, Roger Doss, Paul Ward, John Crow, Tom Middleton, Steve Michaels. Varsity Tennis--1963

Led by senior Don Stephenson, the Vacaville Varsity Tennis team seems on its way to another successful season. Don, a four-year letterman who lost only one match as a junior, began the season winning four in a row.

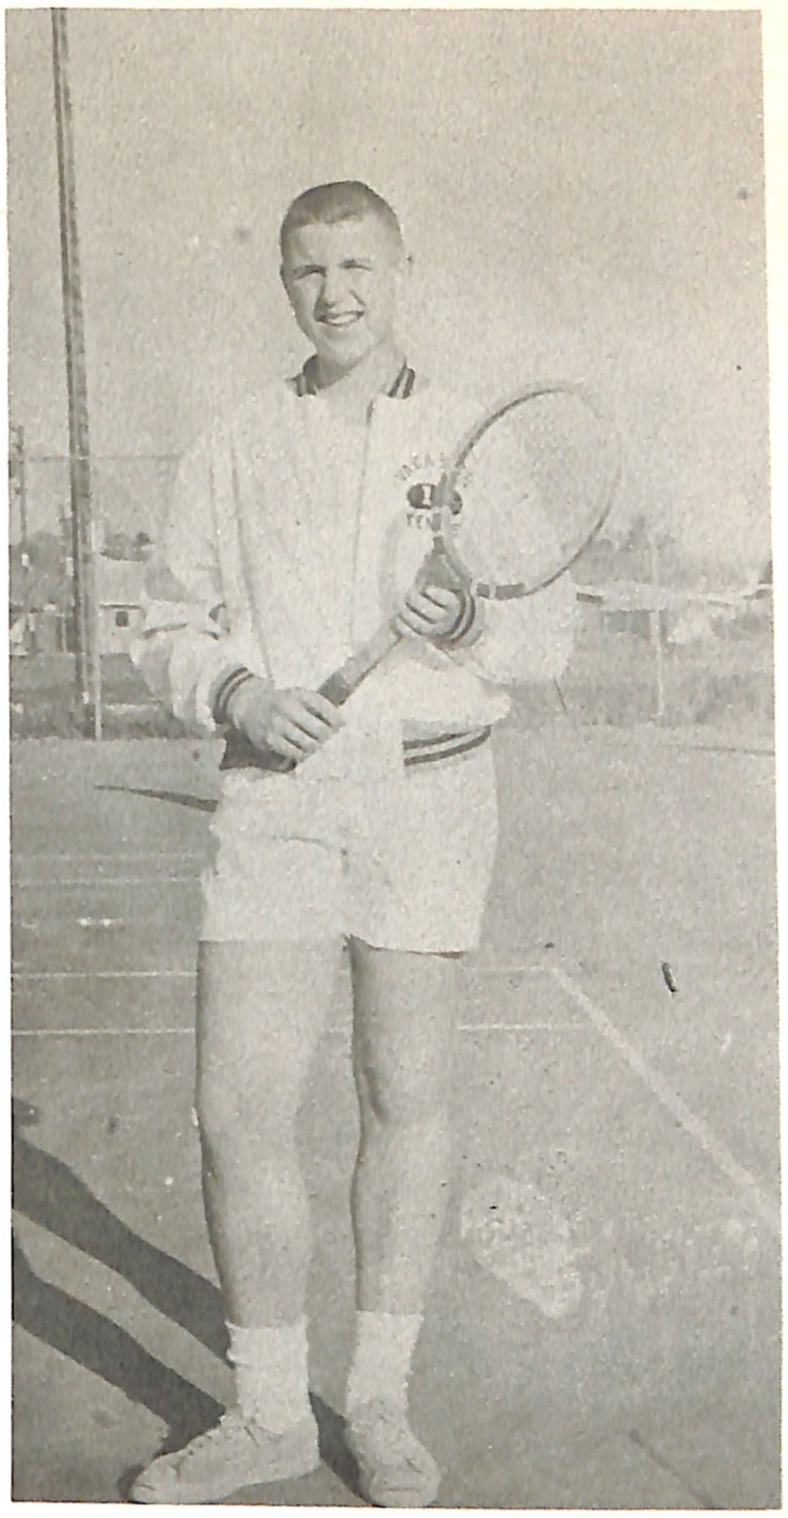

The team as a whole followed the footsteps of Stephenson, losing their first encounter against Woodland 7-0, and then notching wins over Davis 3-1, Hogan 4-1, Elk Grove 3-1 and James Marshall 3-2. Coach Frank Molina's netters have very good depth and also are well-rounded, being composed of four seniors, three juniors, three sophomores and two freshmen.

Hogan proved an easy opponent as this non-league match sharpened us up for the Golden Empire League teams. Stephenson easily won with set scores of 6-2, 6-3 and Bodil Jensen had no trouble winning 6-2, 6-3 in top single competition. Roland Soliz and Dennis Beddard teamed up in the doubles, rolling by Hogan's best doubles team 6-1, 6-2 while Steve Walker and Brian Law iced the team victory with set scores of 6-3, 6-3 in their win.

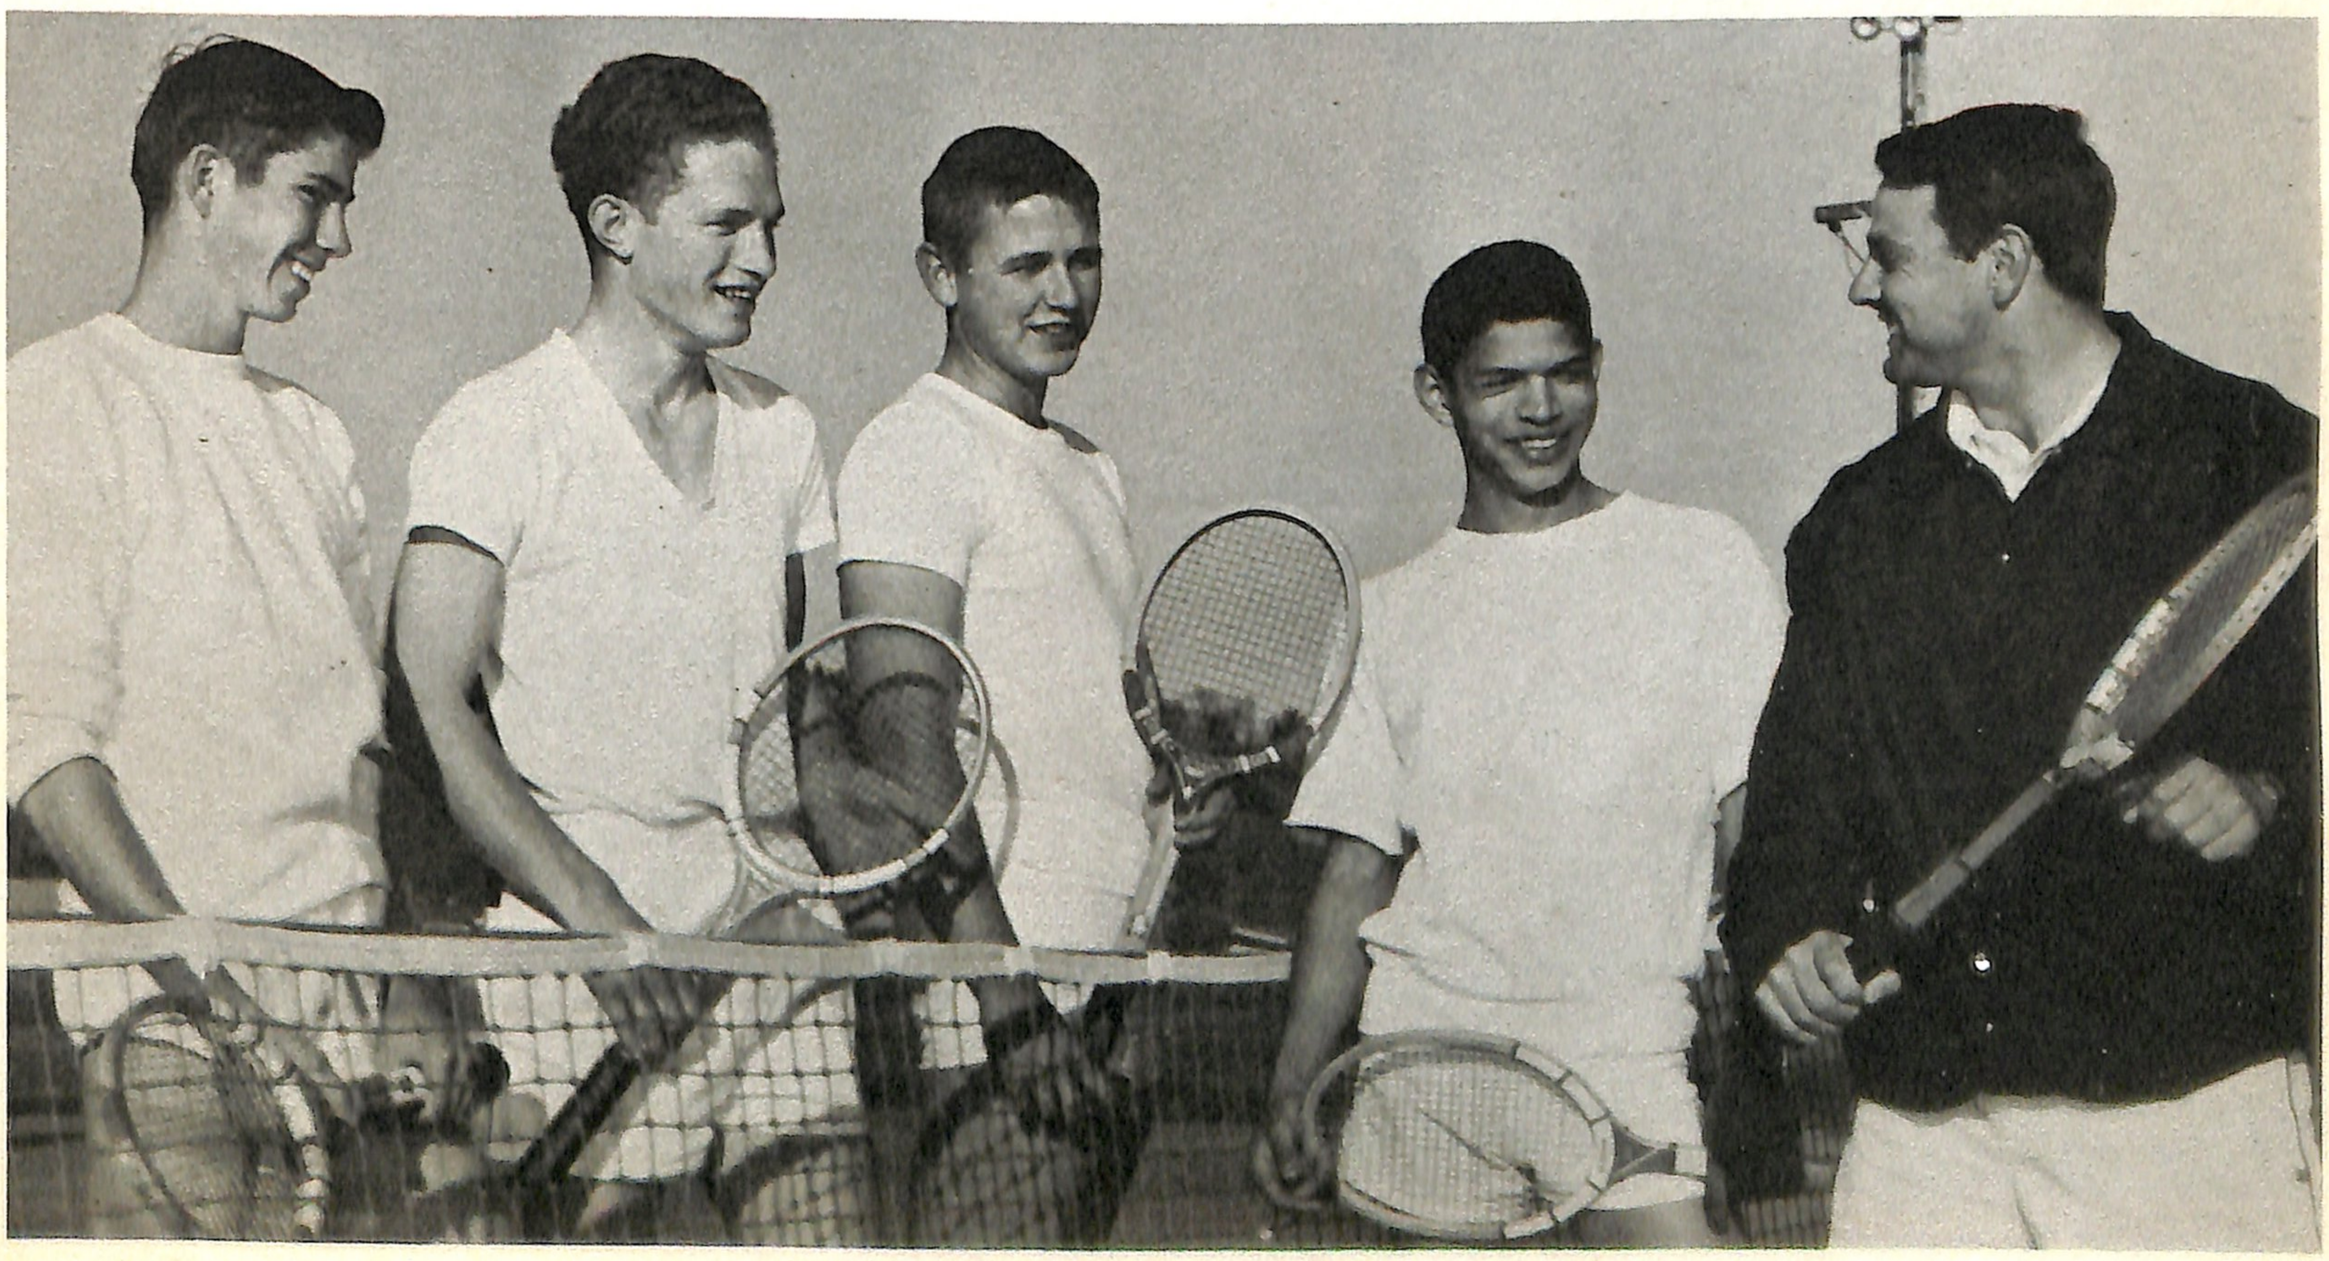

Our first league match seeded us with Elk Grove and was a repeat of the encounter with Hogan, with Stephenson and Jensen winning the singles and the Soliz-Beddard combination again taking the only doubles match. Sid Levin lost 6-1, 6-2 in the only other singles meeting.

After such easy victories in league play, we can be sure that our varsity will be one of the teams fighting for the league championship. Even though the season is young, our initial wins have built up the well-needed confidence every team has to possess.

He looks the world in the eye and fears not any man.

RICHARD WALLS

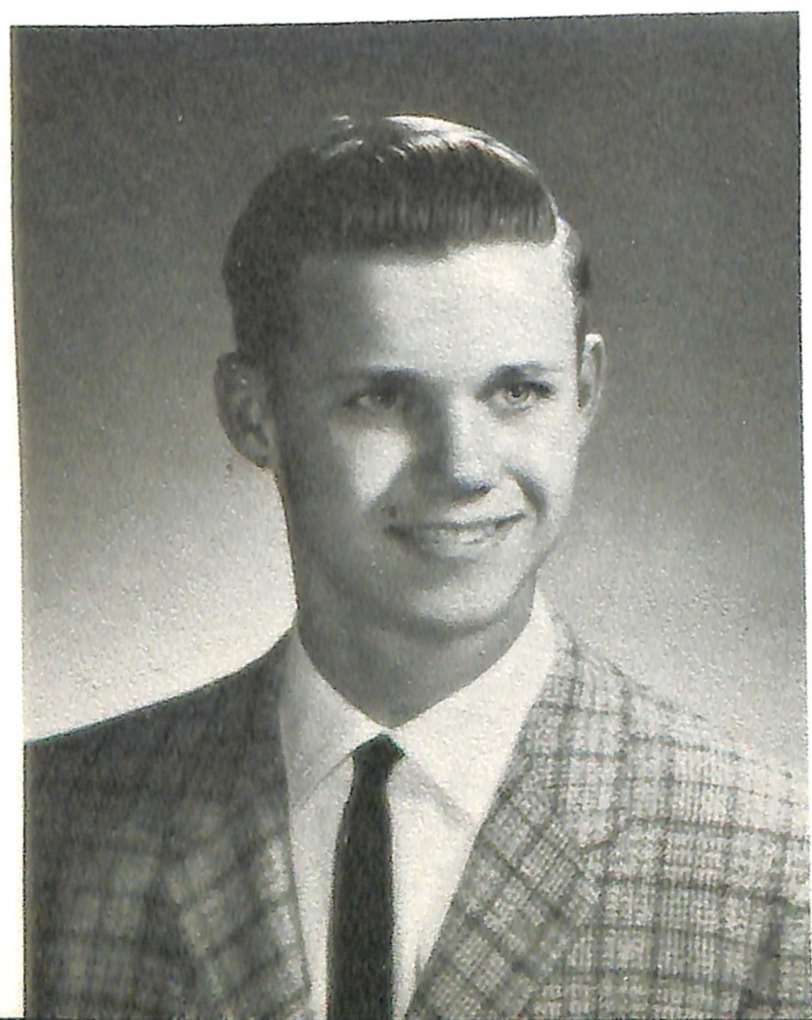

Give him a problem to perceive and you'll find something up his sleeve.

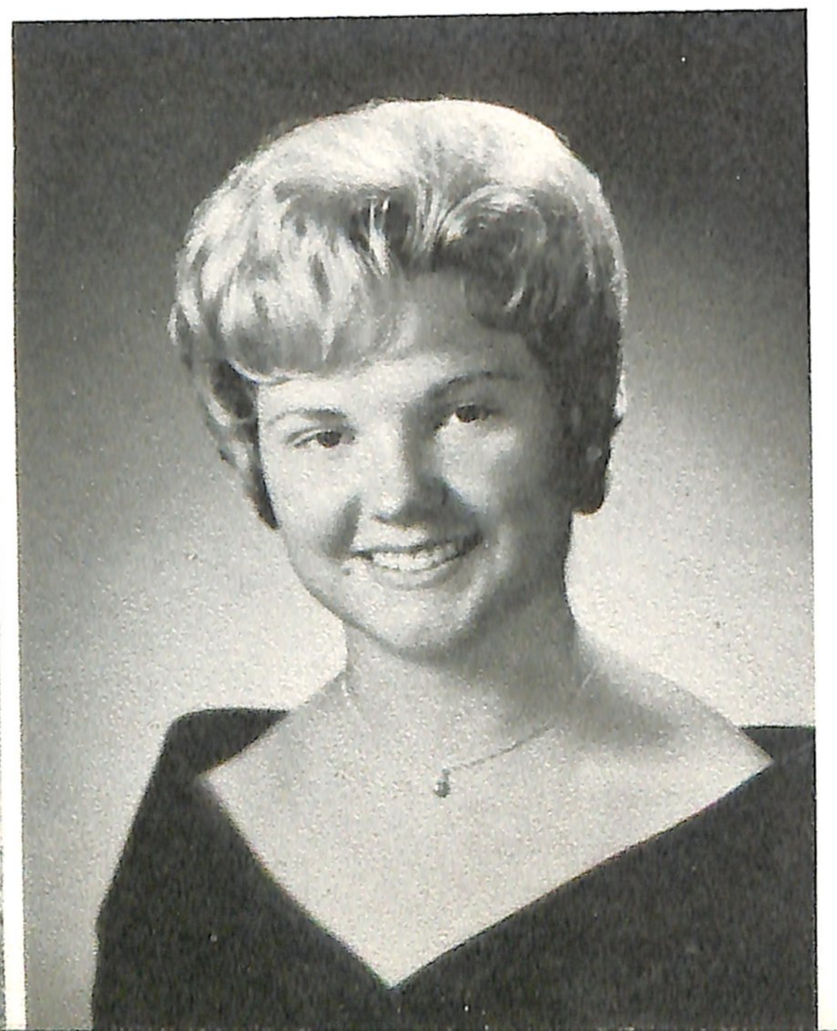

LINDA WARD

It's funny how the strongest words show up in the weakest arguments.

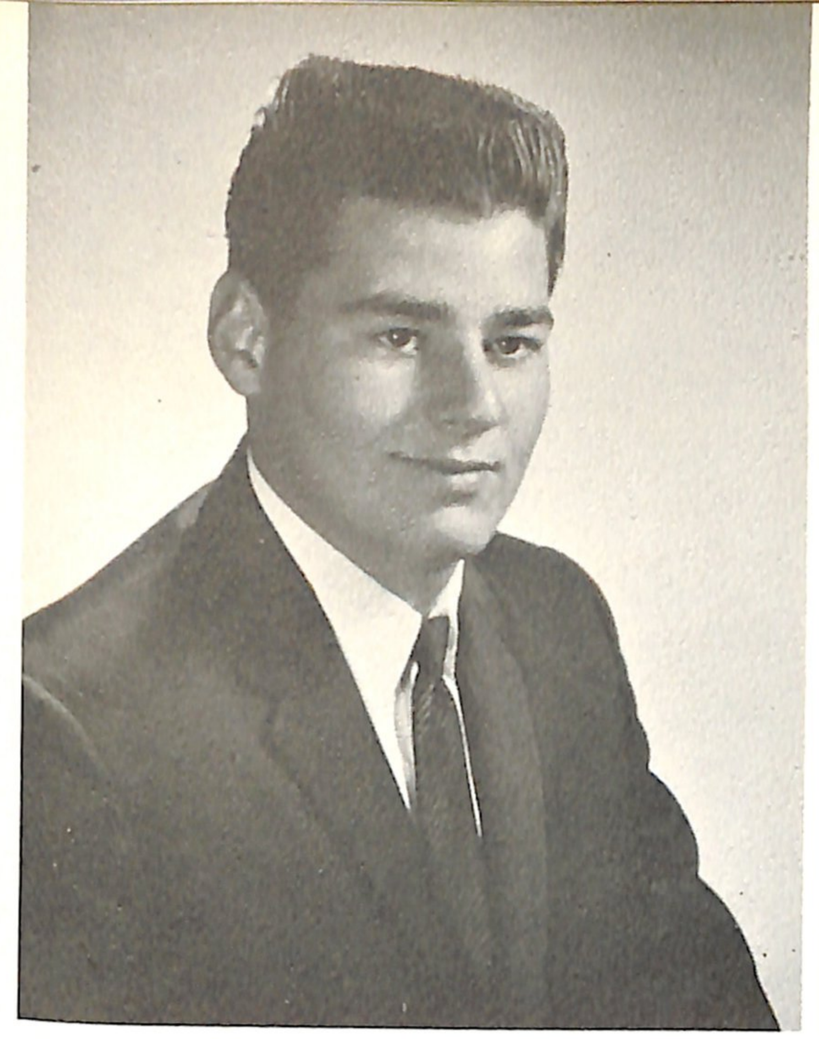

SPENCER WARD

"Why take life seriously—you'll never get out alive."

CAROLYN WEAVER

A woman smart enough to ask a man's advice is seldom dumb enough to take it.

CHARLES WENTWORTH

"My teachers think I'm so sweet, I'm always placed in the foremost seat."

KATRIN WERNER

"But, it's too difficult!"

SUE WERNER

She may be quiet and seem naive, but if you know Sue, it's hard to believe.

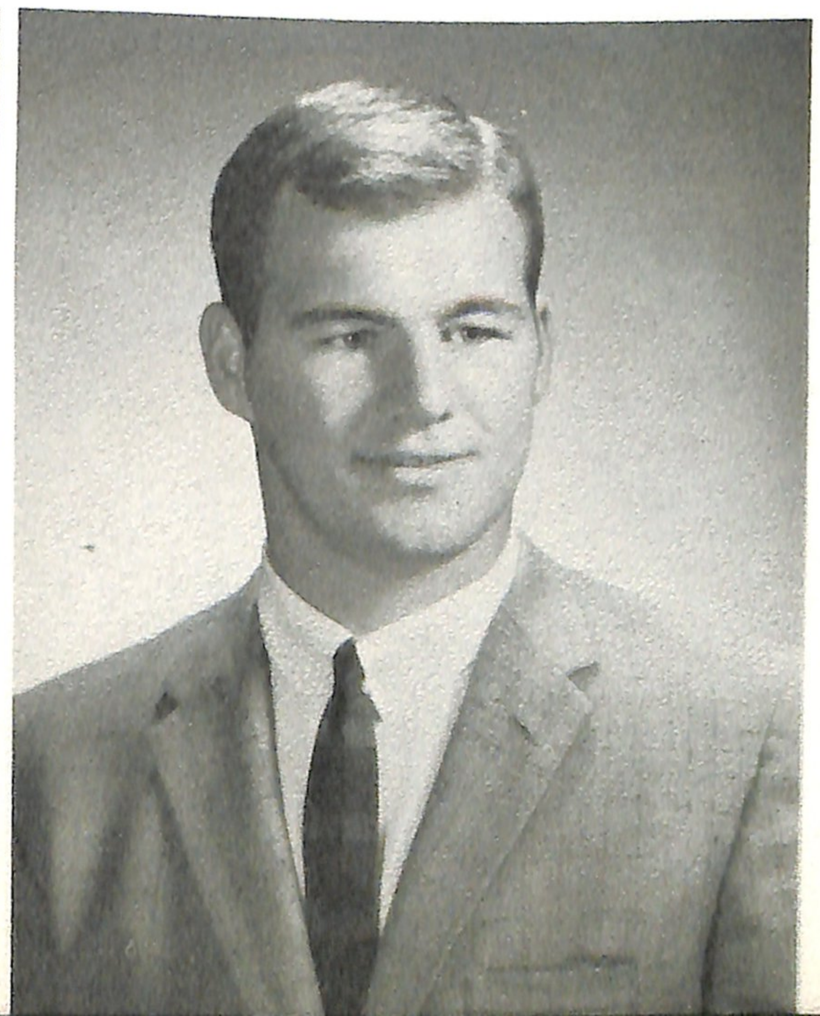

NELDA WILBUR KILWORTH

An ideal is any woman who has an ideal husband.

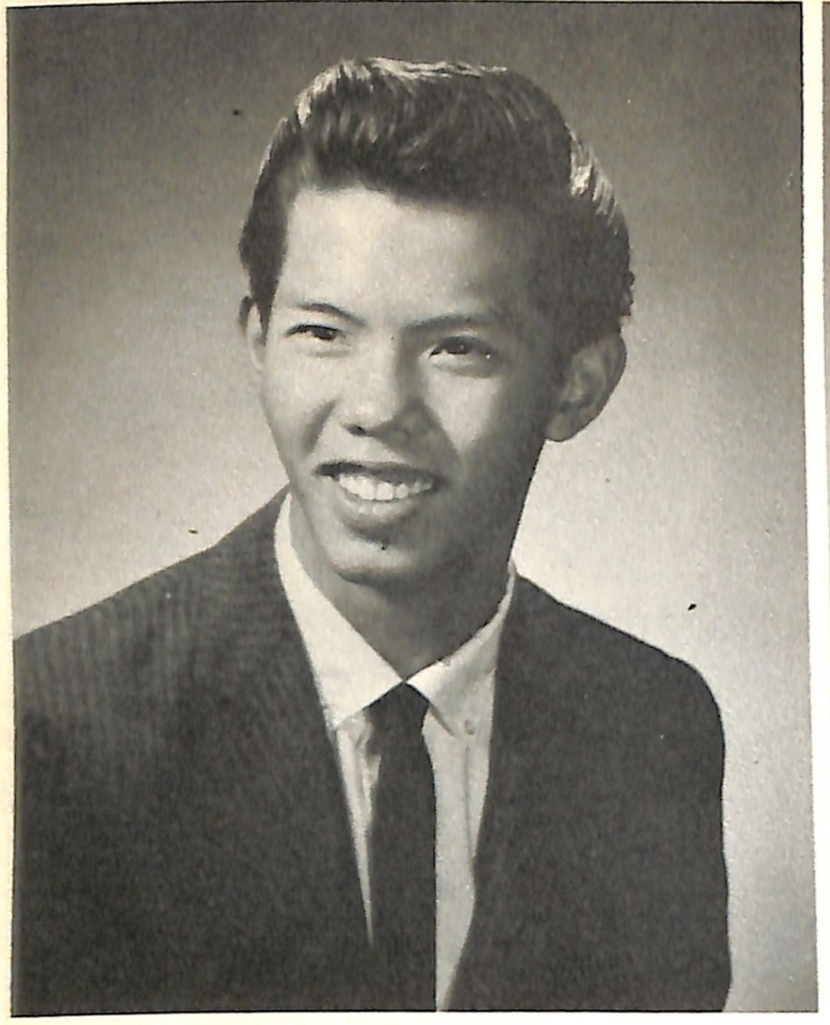

SANDRA WILLINGMYRE

"I don't say we all ought to misbehave, but we ought to look as if we could."

NORMAN WILSON

A good folly is worth what you pay for it.

RONALD WONG
A woman reduces us all to a common denominator.

RAMA WOOD
Boys!!! Where???

SANDRA ZAHORSKY
Light of heart and clever, sad and worried, never.

Song:

Climb Every Mountain

Climb every mountain,
Search high and low,
Follow every byway,
Every path you know.

Climb every mountain,
Ford every stream,
Follow every rainbow,
'Til you find your dream.

A dream that will need
All the love you give,
Every day of your life,
For as long as you live!

Climb every mountain,
Ford every stream,
Follow every rainbow,
'Til you find your dream!

the class of sixty-five

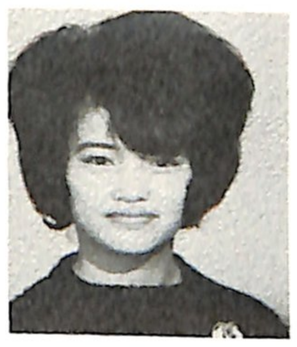

. . . we returned with the sudden sophistication of sophomores and looked down our noses at the freshmen after all there were more of us than them and how will we ever struggle through geometry and biology who has driver training first with hands so sweaty they slip off the steering wheel homecoming float was more fun than work as it always is even if the seniors beat us to the tombstone the first after-game dance of the season and the money rolled in washing dishes in the t a room scooters and beautiful old jalopies which kept the boys busier than anything else including girls we were the first and almost the only class to give its completed class assembly the night before christmas beatnik style where with the cots and the candy we got some sort of message across look who is starring on the j v teams and who places so high on the honor rolls initiation into block v magic moments our first formal dance magic moments of silence and closeness hours of laughter and excitement months of work and disappointment but always hope . . .

the class of sixty-six

. . . and we came here new to it all some with boldness and brass some with nervousness and oh i am one of 1400 and they all know more than i some of us made it some of us did not we pushed our ways and ourselves into the pattern some pushed too hard especially in line for our freshmen reception we were now in a new world calling the seniors by first names within our own groups never yelling at rallies until after the seniors left secrets and notes and crushes and blushes and giggles our only leaders were class and girls league but those were eight of us the sudden surge of excitement at a few words the sickening drop to despair at a few words the clever retort and the right thing to say who can tell me how to dress no one can tell me what to do and what was that senior song about the class of sixty-six being too young to know the tricks look again it is the same after all but different from the years before and we are the ones to whom the unknown future will come first . . .

HICKINBOTHAM BROS., LTD.

Stockton California

A foot-stomping, whistling, over-flow basketball crowd, the largest over to squeeze into the V School gym, was on hand Tuesday as the B rom defeat in the last seconds of regulation he game into two over-time periods and d ng, Armijo Indians 63-60.

More than 60 fouls were called by the game officials during the game, forcing a total of 10 players from the fray before it was over. Six Indians and four Bulldogs were taken out with five infractions each.

The Bulldogs' ability and the Armijo inability at the foul line was the turning point of the game which saw Bulldog Rich Roache, with eight seconds left in the fourth quarter, throw one free throw cleanly through the net and then bring a hush from the crowd as the next one hit the back of the rim, bounce high, then came straight down through the net to tie the score as a single roar rolled across the gym in a deafening wave of sound.

The game then went into its first three-minute overtime period with the Bulldogs coming from behind again to tie the score 51-51, forcing a second overtime period to be called in which the Bulldogs grabbed an early lead and their 16th straight victory.

The game started out as usual with the Bulldogs taking a 16-9 first quarter lead, but not be-

When Roache sank his two charity chances to tie the score the roar of the crowd was deafening.

The Indians came back and missed a field goal attempt to missed a field goal attempt with four seconds left on the clock.

Roache took the rebound and raced down court for an easy lay-up which seemed to win the game for the Bulldogs, but the official timekeeper said the basket had been made a split second after the clocks had run out.

The buzzer and the whistles of the officials were drowned out as the crowd surged onto the court to hoist Bulldog players shoulders. The team then raced into the locker room thinking the game was over. I was some five minutes more be fore the crowd could be ushere off the floor and the first of th two overtime periods could ge

Shortly after this Coach Tom Brian's Bulldogs felt the sting of the official's whistle again as Jarry Reece picked up his fifth foul with four minutes left in the third quarter. Armijo was now ahead 33-29.

A free throw and two field goals by Mike Golomb tied the score 35-35 with one minute left in the period.
